

## **Policy Statements**

### **The Policy for Enforcement by Board Consultant(s) and Medical Technologist Consultant(s) Staff and Surveyor(s)**

Rule 1200-6-1-.20 of Chapter 1200-6-1 Medical Laboratory Personnel relative to Duties of the Medical Laboratory Director provides as follows:

- e) the Medical Laboratory Director shall make periodic on-site visits at a minimum of once per month.

This new policy is an addition to the Duties of the Medical Laboratory Director which provides minimal guidelines for on-site involvement with the clinical laboratory.

**Adopted this the 16th day of April, 1998, by a majority roll call vote of the members of the Medical Laboratory Board.**

**Rule became effective July 13, 2002.**
